Training facilitated through Orange County  
Department of Education  
Training provided by California School/Law  
Enforcement Partnership

The comprehensive Bullying Prevention training is sponsored by the School-Law Enforcement Partnership and the Orange County Department of Education. This training is specifically designed for schools to update their plans in order to be in compliance with State Education Code 32280.

This training will also provide the following benefits:

- ◆ Bullying Prevention will assist in raising test scores
- ◆ Bullying Prevention will reduce staff burnout and turn over
- ◆ Bullying Prevention planning will help school teams link to many existing educational support programs and resources
- ◆ Bullying Prevention will help schools compete for funding to address their educational and safe school needs
- ◆ Bullying Prevention planning will increase the community's involvement and stake in local school safety
- ◆ Bullying Prevention and Safe School Planning are required as part of the yearly school Accountability Report Card
- ◆ Prevention programs initiated through a comprehensive safe and effective Bullying Prevention planning will prove to be cost effective over the long run

### **What materials should our team bring?**

- ◆ Current Bullying Prevention Plan, if existing
- ◆ Incident data
- ◆ Impact data
- ◆ Law enforcement data
  - Juvenile arrest information
  - Probation reports/statistics
  - Gang statistics
- ◆ Any other data relevant to Bullying Prevention
- ◆ Agenda and minutes of past safety meetings

### **What will I accomplish?**

You and your school's team will explore the dimensions of safety and discover how they influence your campus. You will work as a team on broadening and strengthening your Bullying Prevention plans. You will gain information about local, state, and federal resources and funding available for safety-related projects. You will have a better understanding about how strong leadership and a safe and secure environment leads to greater student success. Bullying Prevention techniques and best practices will be shared.
